Some Regular Part-Time employees may occupy less than twelve (12) month positions.

3.

3.1

The Colleges and the Union agree that there will be no intimidation, discrimination, interference, restraint or coercion exercised or practised by either of them or their representatives or members because of an employee's membership or non-membership in the Union or because of activity or lack of activity in the Union.

3.2

The Union agrees there will be no union activities on the premises of the Colleges, except as specifically referred to in this Agreement or approved in writing by the College.

3.3

The parties agree that in accordance with the provisions of the *Ontario Human Rights Code* there shall be no discrimination against any employee by the Union or the College because of race, ancestry, place of origin, colour, ethnic origin, citizenship, creed, sex, sexual orientation, gender identity, gender expression, age, record of offences, marital status, family status or disability.

Accommodation, if it is requested by the employee and it is determined to be required, is the duty of the College, the Union and the employee.

4.

4.1

The Union acknowledges that it is the exclusive function of the Colleges to:

- maintain order, discipline and efficiency;
- hire, discharge, transfer, classify, assign, appoint, promote, demote, lay off, recall and suspend or otherwise discipline employees subject to the right to lodge a grievance as provided for in this Agreement;
- generally to manage the College and without restricting the generality of the foregoing, the right to plan, direct and control operations, facilities, programs, courses, systems and procedures, direct its personnel, determine complement, organization, methods and the number, location and positions required from time to time, the number and location of campuses and facilities, services to be performed, the scheduling of assignments and work, the extension, limitation, curtailment or cessation of operations and all other rights and responsibilities not specifically modified elsewhere in this Agreement.

The Colleges agree that these functions will be exercised in a manner consistent with the provisions of this Agreement.

5.

5.1

The College shall provide a list of employees to the Local Union President in the second week of October, February and June. This list will include each employee's name, job title, start date, department, rate of pay, location, and employee type (Regular Part-Time, Casual, Temporary, Students or Projects of a Non-Recurring Kind). For Regular Part-Time Employees, the list will include the anticipated number of weekly hours.

5.2

Employees shall not be required to do work of a personal nature which is not connected with the operation of the College.

5.3

5.3.1

5.3.2

The highest ranking part-time steward of the Local Union shall co-Chair the Committee and one of the College appointees shall be the other co-Chair. It shall be the responsibility of the Union to supply the College with the names of its Committee members. The President of the Local Union may also attend when required.

5.3.3

Prior to each meeting, the Union shall provide an agenda of matters that it proposes to discuss. The College may add matters to the agenda.

It is agreed that when a meeting as contemplated by this sub-article takes place by mutual consent during scheduled working hours, the member shall not suffer any loss of pay as a result of attending such a meeting. Should a meeting be scheduled on a member's scheduled time off, the employee will be

paid for time spent in the meeting. The Union acknowledges, however, that the employees have their regular duties to perform and will not absent themselves without first obtaining permission from their immediate supervisor and reporting to their immediate supervisor upon returning to their regular duties. In keeping with this understanding, permission to attend such a meeting shall not be unreasonably withheld consistent with College operating requirements.

5.3.4

It is agreed that meetings held under this Article shall not concern or entertain matters that are the subject of a formal grievance.

5.4

The parties agree to the establishment of an Employee/Employer Relations Committee. The parties further agree to meet within sixty (60) days of ratification (February 21, 2019). The terms of reference, found in Appendix 4, may be altered by the parties, from time to time, by mutual agreement.

6.

6.1

The Colleges and the Union are aware of the provisions of the *Ontario Human Rights Code* that provide that persons have the right to be free from a sexual solicitation or advance in the workplace where the person making the solicitation or advance knows or ought to know that it is unwelcome. Both parties subscribe to this principle, and to that end, acknowledge the following objectives:

- a complaint of this nature shall be promptly investigated and, where warranted, appropriate action taken;
- every effort shall be made and maintained by all parties to treat the complaint in a sensitive and confidential fashion, consistent with providing reasonable information to the complainant and the person against whom the complaint is made as to the nature of the allegation, the progress of the complaint, and its resolution or disposition;
- the complaint shall be made to as impartial a person as possible, being the President or designate and who is not the person against whom the complaint is made.

It is agreed that the complainant may choose a Union representative to assist in presenting the complaint.

At any point in the procedure the complaint may be referred to the Human Rights Tribunal of Ontario (HRTO).

6.2

The College shall make reasonable provisions to ensure that employees have the right to be free from bullying/psychological harassment as defined within this article. The College and the Local Union shall cooperate to the fullest extent possible to ensure the workplace is free from bullying/psychological harassment.

Bullying/psychological harassment refers to any vexatious behaviour that is known, or ought reasonably to be known, to be unwelcome and that:

- takes the form of repeated conduct which could reasonably be regarded as intending to intimidate, offend, degrade or humiliate, and/or
- affects an employee's dignity, or psychological or physical integrity, and/or
- results in a harmful work environment.

Examples of bullying/psychological harassment include, but are not limited to, the following:

- berating/belittling an individual;
- repeated unwarranted criticism;
- undermining or deliberately impeding a person's work;
- spreading malicious rumours or gossip that is not true;
- physical gestures intended to intimidate, offend, degrade or humiliate an individual.

Reasonable action by a College, a manager and/or a supervisor in the course of managing the workplace is not bullying/psychological harassment. Examples of this include, but are not limited to, the following:

- the transfer, demotion, discipline, counsel or dismissal of an employee in a reasonable manner;
- a decision, based on reasonable grounds and facts, not to promote or grant another benefit in connection with an employee's employment or performance.

The parties recognize that bullying/psychological harassment is unacceptable in the workplace, and to that end acknowledge the following objectives:

- a complaint of this nature shall be promptly investigated and, where warranted, appropriate action taken;
- every effort shall be made and maintained by all parties to treat the complaint in a sensitive and confidential fashion, consistent with providing reasonable information to the complainant and the person against whom the complaint is made as to the nature of the allegation, the progress of the complaint, and its resolution or disposition;
- the complaint shall be made to as impartial a person as possible, being the President or designate and who is not the person against whom the complaint is made;
- frivolous allegations of bullying/psychological harassment that are unfounded, will be treated as a disciplinary offence, that could lead to dismissal;
- allegations found to be true, will be treated as a disciplinary offence that could lead to dismissal.

It is agreed that the complainant may choose a Union representative to assist in presenting the complaint.

7.

7.1

7.1.1

Leaves of absence with pay may be granted to employees to permit their attendance at conventions, schools and seminars conducted by the Union and to employee(s) who are elected to the Executive Board of the Union, or the Divisional Executive. The Union shall reimburse the College for all pay during such leaves and the College will endeavour to bill quarterly.

7.1.2

Leave of absence with pay may be granted to:

- employee representatives who attend meetings with College representatives on provincial matters;
- employee representatives who are members of the Employee/Employer Relations Committee for the days of necessary attendance at meetings of that committee;

The Union shall reimburse the College for fifty percent (50%) of all pay during leaves of absence under Article 7.1.2 (Leave of Absence - Union Representatives). The College will endeavour to bill quarterly.

7.1.3

Leave of absence shall be granted to not more than seven (7) employees covered by this Agreement selected by the Union to negotiate the renewal of the Collective Agreement for necessary time off including travel time, direct negotiating time, and necessary preparation time. The Union shall reimburse the College for all pay during such leave except for the days scheduled by the parties for direct negotiations and up to a maximum of ten (10) days if required, for meetings of the Union Negotiating Committee to prepare for and to complete bargaining.

7.1.4

Leaves of absence described in Articles 7.1.1 (Leaves of Absence Reimbursed by the Union) and 7.1.2 (Leave of Absence - Union Representatives) shall not be unreasonably withheld, recognizing the need of efficiency of operations of the College. Where possible, the employee will provide at least two (2) weeks' notice to the Senior Human Resources Officer of the absence requested under

Articles 7.1.1 (Leaves of Absence Reimbursed by the Union) and 7.1.2 (Leave of Absence - Union Representatives).

7.2

Upon application in writing by the Union to the Council with notice to the affected Colleges, a leave of absence shall be granted to two (2) employees from the Support Staff Part-Time Bargaining Unit of the CAAT System elected to full-time positions with the Union. Such leave(s) of absence shall be for a period of one (1) term of office (two (2) years from the date of election) unless extended for a specific period on agreement of the parties. Such leave(s) of absence shall be without pay and benefits, but the employee shall accumulate full seniority during such leave(s) of absence.

7.3

7.3.1

There shall be deducted from the regular pay of every employee in the bargaining unit an amount equal to the regular monthly dues as authorized under the by-laws of the Union.

7.3.2

Article 7.3.1 (Authorization) shall have no application to an employee who is successful in satisfying the requirements of Section 13(2) of the *Colleges Collective Bargaining Act, 2008* as to religious convictions or belief.

7.3.3

Any amounts so deducted shall, subject to Article 7.3.2 (Application), be remitted to the Union Head Office. A list of the employees from whom the deductions have been made (a copy of the list shall be sent to the Local Union President) shall be forwarded by the 15th day of the month following the month in which such deductions have been made. The list of employees referred to herein shall be in alphabetical order by surname and shall include a unique identifier for the Employee.

The Union agrees to indemnify and save the Employer harmless from any liability arising out of the operation of this Article.

7.4

7.4.1

The College acknowledges the right of the Union to select stewards from the part-time employees who shall have completed probation. The Union will appoint stewards to ensure that they are readily available for meetings with the College.

7.4.2

The ability of a steward to leave work without loss of pay to attend a meeting with the College is granted on the following conditions:

- a) A steward's first obligation is to the performance of their regular duties and they shall not leave their regular duties without first obtaining permission from the immediate supervisor or their designate.
- b) The time shall be devoted to the handling of the necessary business.

7.4.3

If a College representative calls a meeting that requires the presence of a steward outside the steward's working hours and no other stewards who are at work during the meeting are available, the steward shall be paid at the straight time rate for time spent in the meeting.

7.5

Upon date of hire, the College shall notify the new employee of the name of the employee's Steward or Local Union Officer and provide the link to where they can access the Collective Agreement. All employees shall have access to view and read the Collective Agreement from a college computer.

Within sixty (60) days after the signing of this Agreement, the College will post the Agreement on the College website.

7.6

It is understood that in the case of conflict between the electronic version of the Collective Agreement and the original signed Collective Agreement, the original signed document will prevail.

7.7

The parties agree that a French language and an English language version of this Agreement shall be prepared. With respect to any dispute arising at a French language College, the French language version of this Agreement shall prevail. With respect to any dispute arising at an English language College, the English language version of this Agreement shall prevail.

7.8

The Local Union agrees to notify the College of the name(s) of the current Steward(s) and Local Union Officers within a reasonable time of the appointment date.

7.9

Where a College has a formal orientation meeting with a group of new employees, the Local Union will be given an opportunity to address the group during the meeting for the purpose of assisting the College in orienting the new employees to the College.

7.10

Each College shall supply adequate notice boards, which may be shared by the OPSEU bargaining units, in appropriate locations designated by the College and accessible to employees for the posting of Union Notices which, unless otherwise agreed, pertain to matters relating to employees covered by this Agreement and, which have received the prior approval of the College.

8.

8.1

Each employee shall receive a copy of any formal disciplinary notice that is to be placed in the employee's human resources file. With the consent of the employee concerned, notification shall be given to the Local Union that a disciplinary notice is being served on the employee.

8.2

Each employee shall be entitled to reasonable access to the employee's performance appraisals and disciplinary notices. The College shall maintain these documents in an appropriate location.

8.3

Each employee may, once each calendar year, request the removal of a disciplinary notice that has been in the employee's official human resources file for more than fifteen (15) months. The removal of such notice shall be at the discretion of the College. Such discretion shall not be exercised unreasonably.

9.

9.1

It is understood that the provisions of this Article are intended only to provide a basis for calculating time worked and shall not be, or construed to be, a guarantee of hours of work per day nor as to the days of work per week. The College is open seven (7) days per week, and regular weekend work may be required. Part-Time employees shall work the hours scheduled by the College which will not normally exceed twenty-four (24) hours in a week. Part-Time employees may be required to work additional hours in excess of their regular schedule. The employees agree to cooperate in working the required hours.

9.2

Each July 3rd, Regular Part-Time Employees who are working less than twenty-four (24) hours per week may advise their supervisor in writing if they are interested in working more hours per week and provide a commitment of availability for the next twelve (12) months. If the supervisor assigns any additional hours, the supervisor will identify whether the revised assignment is temporary or permanent.

9.3

The work schedule may be varied to meet the operational requirements of the College. If the schedule is varied, employees shall be notified in compliance with the *Employment Standards Act, 2000*. For Regular Part-Time Employees, their schedules will be identified at the time of hiring. If the schedule for a Regular Part-Time Employee is changed, the College will give at least two (2) weeks notice except in circumstances beyond its control.

9.4

No employee will be required to work more than five (5) consecutive days unless the employee agrees to the request.

9.5

Authorized overtime shall be paid at the rate of time and one-half the employee's hourly rate to employees for each hour of work in excess of forty (40) hours in each work week.

9.6

The current practices regarding rest periods shall be maintained by the College and any change shall be discussed with the Union/College Committee.

Employees shall be entitled to a thirty (30) minute unpaid meal break after five (5) hours of continuous work.

9.7

It is recognized that some positions may be posted as split shift positions. Any employee, who, as of February 21, 2019, is not working split shifts and any employee hired after February 21, 2019 who has not been hired into, or posted into a split shift position will not be required to work split shifts without the employee's agreement.

9.8

On-Call refers to time periods during which a Regular Part-Time Employee must be available and able to respond, within a reasonable time, to resolve a problem either by returning to the workplace or off-site (if applicable). On-call applies to time periods that are not regular working hours, overtime, stand-by or call back.

A Regular Part-Time Employee assigned to be on-call is not required to stay at home, but they must make sure that they can be contacted and are able to start work within a reasonable time. It is understood that a return to the workplace may not be necessary in all situations. There shall be no pyramiding of premiums. Where the employee is recalled, the provisions of Article 9.8.2 (Call Back) shall apply.

Where a Regular Part-Time Employee is assigned to be on-call, they shall receive one dollar (\$1.00) per hour for all hours that they are required to be on-call. No employee shall be required to be on-call or be assigned on-call duty unless they agree and are authorized in writing by their immediate supervisor.

An employee assigned to be on-call shall not be paid for the on-call period, or part of the on-call period, if they were not available or were unable to work due to illness or other circumstances beyond their control.

9.8.2

Where a Regular Part-Time Employee has completed their regularly scheduled hours of work and is subsequently called back to duty before the commencement of their next regularly scheduled shift, the following provisions shall apply.

9.8.2.1

When a Regular Part-Time Employee is recalled and is required to return to the workplace, they shall receive payment for all hours worked with a minimum guarantee of three (3) hours of pay except to the extent that such period of three (3) hours overlaps or extends into their regular hours of work. It is understood that this provision has no application in cases of change in an employee's regular hours of work or scheduled overtime including overtime commencing immediately following the completion of an employee's regular schedule of work.

9.8.2.2

When a Regular Part-Time Employee is recalled and is not required to physically return to the workplace, the employee shall be paid a minimum guarantee of two (2) hours. The initial call and any subsequent calls during the same two (2) hour period will be treated as a single recall to work for the purposes of this paragraph.

10.

10.1

The hourly rate of wages will be determined by the College except that no employee employed as of February 21, 2019 will have their hourly wage rate reduced while they continue to occupy the position held as of February 21, 2019 and no employee will be paid less than the minimum wage.

All employees who are employed as of February 21, 2019 will have their hourly wage rate increased by 1.5% retroactive to January 2, 2019.

All employees who are employed on January 31, 2020, will have their hourly wage rate increased by 1.5%.

17.1

Subject to Article 17.2 (Seniority Lost), seniority, as referred to in this Agreement, shall mean the length of regular part-time service since the first date of hire.

The College agrees to provide a current seniority list to the Local Union president in the second week of October, February and June.

Seniority will continue to accrue while a member of this bargaining unit is employed by the College outside the bargaining unit on a temporary basis or on a protected *Employment Standards Act, 2000* leave of absence.

A Regular Part Time Employee will be on probation until they have worked continuously as a Regular Part-Time Employee for 936 hours. At the discretion of the College, the probationary period may be reduced for an individual employee to such period of time as the College may determine. On successful completion of the probationary period, they shall then be credited with seniority calculated as outlined above, and seniority thus acquired shall be applied in the manner set out in this Agreement.

The dismissal, suspension or release of an employee during the probationary period shall not be the subject of a grievance and/or arbitration pursuant to this Agreement.

17.2

Seniority shall be lost and employment deemed to be terminated if:

- the employee voluntarily quits;

provided such notification, if the person fails to return to work within ten (10) days from the date of mailing of such registered notice of recall;

- the employee is absent without prior authorization or approval for five (5) consecutive working days unless reasons satisfactory to the College are subsequently accepted; or
- the person is laid off and elects to waive all rights of recall.

18.

18.1

- (b) Placed in a regular part-time position occupied by a probationary employee if the employee can satisfactorily perform the core duties and responsibilities of the job. Probationary positions shall be considered by starting with the most recent hire and ending with the earliest hire; or
- (c) Placed in a regular part-time position occupied by the most junior Regular Part-Time Employee in their department if the employee can satisfactorily perform the core duties and responsibilities of the job. For the purposes of this Article, a department is defined as a work unit reporting to a first level manager; or
- (d) laid off and placed on the recall list.

18.5.1

It is understood that the College is not required to train an employee for a position into which they may be assigned pursuant to the above, but the College shall provide a reasonable period of familiarization where necessary.

18.5.2

Once notified, employees will be afforded two (2) calendar days to either accept the offered position or to declare that they prefer to be placed on the recall list.

18.5.3

If an employee holds more than one (1) regular part-time position in the bargaining unit, and one (1) of their positions is subject to the provisions of the layoff language, all Articles shall apply. If a reassignment or transfer results in an accumulation of greater than twenty-four (24) hours per week, or if the hours result in a scheduling conflict that cannot be reasonably resolved, the employee will have two (2) business days to determine which position they will maintain.

18.6

Any employee laid off shall be placed on the recall list for a period of nine (9) months.

The College will rehire persons from the recall list in order of seniority, providing they can satisfactorily perform the core duties and responsibilities of available regular part-time positions, before hiring from the open market.

18.6.1

If the opportunity is outside forty (40) kilometres of the location at which the person was assigned, the person will be allowed refusals without forfeiting their recall under this Article until or if, an opportunity, if any, within forty (40) kilometres is offered or until the recall rights have expired, whichever comes first.

18.7

If the College decides to contract out work or services which are being performed by Regular Part-Time Employees at the commencement date of this Agreement which would cause the layoff or involuntary displacement of any Regular Part-Time Employees covered by this Agreement, the College will notify the Local Union four (4) weeks in advance of the written notice being provided to the Regular Part-Time Employees affected. The processes in Article 18 (Layoff/Recall Process) shall be followed.

18.8

18.8.1

Where a Regular Part-Time Employee (other than one who is affected by contracting out and who elects to receive severance pay pursuant to Article 18.8.2 (Severance Pay - Contracting Out) is laid off and has:

- less than five (5) years service and within twenty-one (21) calendar days of receipt of notice of layoff elects to waive all rights of recall under the Agreement, they shall receive severance pay equal to the employee's regular wages for a regular work week multiplied by each completed year of service.
- more than five (5) years service they will have their severance pay treated pursuant to the provisions of the *Employment Standards Act, 2000*.

18.8.2

In the event that a Regular Part-Time Employee who is being laid off as a result of contracting out exercises their option to waive the recall procedure, as herein set out, they shall be entitled to severance pay based on the employee's regular wages for a regular work week multiplied by each year of service.

18.8.3

In deciding the amount of severance pay required to be paid by the College, any pay in lieu of notice or severance pay required to be paid under the *Employment Standards Act, 2000* shall be deemed to be a credit toward the severance pay entitlement under Article 18.8 (Waiver of Rights/Severance). The intention of this provision is to avoid pyramiding of pay in lieu of notice and severance pay under the *Employment Standards Act, 2000* and the severance pay requirements hereunder.

19.

19.1

Notice shall be posted of a permanent vacancy in a regular part-time position covered by the Agreement for a period of five (5) days. No employee shall be hired from outside the College until the position has been posted for the said five (5) days. Such notice shall contain position title, hourly rate, current location(s), current hours of work, current shift(s), and an outline of the basic qualifications. Such notice shall be posted in appropriate locations accessible to employees. For the purposes of this Section, reference to days shall exclude Saturdays, Sundays, and statutory holidays. Copies of all posted vacancies shall be sent to the Local Union President at the time of posting.

19.1.1

When a regular part-time vacancy occurs and employees within the bargaining unit at the College apply, the College shall determine the successful candidate based on the qualifications, experience and seniority of the applicants in relation to the requirements of the vacant position. Where the qualifications and experience are relatively equal, seniority shall govern, provided the applicant has the necessary qualifications and experience to fulfil the requirements of the position.

The College need not consider probationary employees.

19.1.1.1

All applications will be acknowledged and all applicants who are interviewed will be notified of the outcome of their application and the name of the successful internal applicant, if any. The College will not interview applicants for regular part-time positions from outside the bargaining unit until it has complied with Articles 19.1 (Notices) and 19.1.1 (Consideration - Bargaining Unit Employees) above. The College will not consider applicants for regular part-time positions from outside the bargaining unit until it has assessed internal applicants and notified them of the results.

19.1.1.2

The College shall notify the Local Union President in writing when a regular part-time posting has been filled.

19.1.2

Where an employee has been selected for a posted vacancy in accordance with the provision herein and it is subsequently determined by the College, after discussion with the employee, within ninety (90) calendar days from their assignment to the position that they cannot satisfactorily perform the requirements of the job in question, the College will return the employee to their former rate and position without loss of seniority. Any further displacement of employees as a direct result of their return shall be accomplished by transferring such employees to their former position and wage rate without loss of seniority unless otherwise agreed upon and such transfer shall not be the subject of any grievance.

19.1.3

The first resultant regular part-time vacancy, if any, arising out of the filling of a particular posted vacancy in Article 19.1.1 (Consideration - Bargaining Unit Employees) shall be posted and the same provisions shall apply. Any further resultant vacancies which arise need not be posted. Where such vacancies need not be posted, the College shall, however, give proper consideration to qualified bargaining unit employees prior to filling such position(s).

19.1.4

Employees who are not included in the bargaining unit may apply for posted vacancies but will be considered only after the application of Articles 19.1.1 (Consideration - Bargaining Unit Employees) and 19.1.1.1 (Notification - Applicant). In addition to any other factor that the College considers relevant, consideration will be given to service with the College.

19.1.5

19.1.5.1

When the duties and responsibilities of a position covered by this Agreement with a higher wage rate are assigned temporarily by the College to a Regular Part-Time Employee, for a period in excess of five (5) working days, the employee will be paid the higher wage rate.

19.1.5.2

When the College temporarily assigns a Regular Part-Time Employee to the duties and responsibilities of a position covered by this Agreement with a lower wage rate, where there is no work reasonably available in the position from which they were assigned, they shall be paid the lower wage rate after

the expiration of ten (10) consecutive working days in such lower paying position.

When the College temporarily assigns a Regular Part-Time Employee to the duties and responsibilities of a position covered by this Agreement with a lower wage rate where there is work reasonably available in that regular part-time position from which they were assigned, they shall continue to be paid at the rate applicable to the position from which they were assigned.

19.1.5.3

When a College temporarily assigns a Regular Part-Time Employee to the duties and responsibilities of a non-union position excluded from the provisions of this Agreement, the employee's obligations to contribute to the regular monthly Union dues under Article 7.3 (Union Deductions) and their seniority shall continue during the period of such temporary assignment up to a maximum period of twelve (12) calendar months unless extended by agreement of the Local Union and the College.

19.1.5.4

The parties to this Agreement recognize that if the College has been unsuccessful in obtaining Temporary Replacement Employees, College operations may require the assignment of work that necessitates Regular Part-Time Employees to perform work at another campus, which is not the employee's regularly assigned workplace due to emergency circumstances beyond the College's reasonable control. When the College has given notice of such an emergency work assignment, the College shall take into consideration the legitimate requests of employees to be excused where the performance of such an assignment would cause undue hardship or serious inconvenience. If the emergency work assignment is in excess of forty (40) kilometres from the employee's regularly assigned work location, the employee shall have the right to refuse such assignment.

19.2

When a College determines that an employee is to be permanently transferred between campuses, it will give the employee at least three (3) weeks notice of the transfer. This Article will not apply where transfers are made pursuant to the layoff procedures. In such circumstances, the applicable layoff process will apply.

An employee will only be transferred to a work location more than eighty (80) kilometres distant from the employee's previous work location if the employee agrees.

19.3

An employee who has completed three (3) months of service, may request a transfer to a different college location. If the College denies the request, it will advise the employee of the reason for the denial.

19.4

Where the College has posted vacancies within the full-time bargaining unit and no successful applicants have been selected, the College will consider part-time bargaining unit employees who have applied and in addition to any other factor the College considers relevant, consideration will be given to service with the College.

20.

20.1

20.1.1

For the purpose of this Article, reference to "days" shall exclude Saturdays, Sundays, and statutory holidays, and the period December 25 to January 1.

20.1.2

"Union" means the Ontario Public Service Employees Union.

20.1.3

"Grievance" means a complaint in writing arising from the interpretation, application, administration or alleged contravention of this Agreement.

20.2

20.2.1

If the grievor fails to act within the time limits set out under the Grievance Procedure or Mediation/Arbitration Procedure, the grievance will be considered abandoned.

20.2.2

If an official fails to reply to a grievance within the time limits set out, the grievor may submit the grievance to the next stage.

20.2.3

The time limits imposed upon either party may be extended by mutual agreement.

20.2.4

It is understood and agreed that the grievor and their Steward or Local Union Officer shall not suffer any loss of pay when (during regular working hours) they must leave their duties temporarily to attend meetings under this Article. Should a meeting be scheduled on a member's scheduled time off, the employee will be paid for time spent in the meeting. The Union acknowledges, however, that employees have their regular duties to perform and they will not absent themselves without first obtaining permission from their immediate supervisor and reporting to their immediate supervisor upon return to their regular duties. In keeping with this understanding, permission

to attend such meetings shall not be unreasonably withheld consistent with College operating requirements.

20.2.5

An employee shall not be required to appear before a committee, board or other investigating body to answer concerning their conduct or performance without first being given reasonable opportunity to be accompanied by an employee representative if, as a result of their appearance, they may be subject to some written reprimand, assessment or penalty. However, this provision shall not be applicable when an employee is required to appear before their immediate supervisor or, in their absence, the person acting in their stead or the Human Resources representative of the College to answer concerning their conduct or performance.

20.2.6

The College and the Union shall each pay one-half (1/2) the remuneration and expenses of the Chairperson and shall each pay the remuneration and expenses of their nominee should an Arbitration Board be utilized.

20.3

20.3.1

A complaint shall be taken up as a grievance in the following manner and sequence provided it is presented within fifteen (15) days after the circumstances giving rise to the complaint have occurred, or have come or ought reasonably to have come to the attention of the employee.

20.3.2

An employee shall present a signed grievance in writing to the Department Head of the Department in which they are employed stating the nature of the grievance, the remedy sought and shall be sufficiently specific to identify the alleged violation(s) of the Collective Agreement.

The Department Head shall give their decision, in writing, to the grievor within ten (10) days of the presentation. It is agreed, however, that where an employee's immediate supervisor and their Department Head are one and the same person, Step 1 shall be dealt with at the next level of supervision.

20.3.3

Where the grievor is not satisfied with the decision at Step 1, they shall present their grievance in writing within ten (10) days of the date they received the decision to the Director of Human Resources.

The Director of Human Resources or their designee shall convene a meeting concerning the grievance, within fourteen (14) days of the presentation, at which the grievor shall have an opportunity to be present, and shall give the grievor their decision, in writing, within ten (10) days following the meeting.

20.3.4

Where a number of employees in any College have identical grievances and each employee would be entitled to grieve separately, they shall present a group grievance in writing signed by each employee to the Director of Human Resources, or as designated by the College, within fifteen (15) days following the occurrence or origination of the common circumstances giving rise to the grievance commencing at the Step 2 meeting of the grievance procedure. The grievance shall then be treated as a single grievance.

20.3.5

Where the grievance pertains to a number of Colleges, separate grievances shall be sent to the Directors of Human Resources or designated persons of each College affected with copies to the Chief Executive Officer of the Council.

Failing settlement following the Step 2 meeting, such grievance may be referred to mediation/arbitration providing such referral is within fifteen (15) days of the receipt of the Step 2 reply.

20.3.6

The Union shall have the right to file a grievance based on a difference arising directly out of the Agreement concerning the interpretation, application, administration or alleged contravention of this Agreement. However, such grievance shall not include any matter upon which an employee is personally entitled to grieve and the regular grievance procedure for a grievance peculiar to an individual employee shall not be bypassed except where the Union establishes that the employee has not grieved an unreasonable standard that is patently in violation of this Agreement and that adversely affects the rights of persons in the bargaining unit.

A Union grievance shall be presented in writing, signed by the Local Union President or their designee to the Director of Human Resources or as designated by the College concerned, within thirty (30) days after the

circumstances giving rise to the complaint have occurred, or have come to or ought reasonably to have come to the attention of the Union. The grievance shall then be processed in accordance with Step 2 of the grievance procedure.

20.3.7

The College shall have the right to file a grievance based on a difference arising directly out of the Agreement concerning the interpretation, application, administration or alleged contravention of this Agreement. Such grievance shall be presented in writing, signed by the Director of Human Resources or designee to the Local Union President of the College concerned with a copy to the Union President within thirty (30) days following the occurrence or origination of the circumstances giving rise to the grievance.

The grievance shall then be processed in accordance with Step 2 of the grievance procedure with the appropriate changes.

20.3.8

20.3.8.1

Articles 20.3.8.2 (Grievance) and 20.4 (Mediation/Arbitration Procedure) apply to a Regular Part-Time Employee who has completed their probationary period, it being understood that the dismissal, suspension or release of an employee who has not completed their probationary period shall not be the subject of a grievance.

20.3.8.2

A Regular Part-Time Employee, claiming to have been discharged or suspended from employment without cause or improperly laid off or reassigned shall, file a signed, dated, written statement of such grievance setting out the nature of the grievance and the specific remedy sought at Step 2 of the grievance procedure providing such grievance is lodged with the Director, Human Resources, or designate within fifteen (15) working days of the date they are advised in writing of their discharge, suspension, layoff or reassignment.

20.4

20.4.1

In the event any difference arising from the interpretation, application, administration or alleged contravention of this Agreement has not been satisfactorily settled under the foregoing grievance procedure, the matter shall then, by notice in writing given to the other party within ten (10) days of the

date of receipt by the grievor of the decision of the College's Official at Step 2, be referred to mediation/arbitration as provided.

20.4.2

The College and the Local Union shall attempt to select by agreement a Mediator/Arbitrator. If they are unable to agree within a period of fifteen (15) days, either party may apply to the Minister of Labour to appoint the mediator/arbitrator.

20.4.3

Dear Warren:

Every College shall have a Return-to-Work (RTW) policy within six (6) months from February 21, 2019 to support injured and ill employees in returning to work. Each policy shall contain the following:

- a statement of commitment that describes how the program will operate, which may include a permanent or ad hoc Return-to-Work Committee, consisting of representatives from the College and the Local Union;
- strategies that support the statement of commitment and form a framework within which individual return-to-work cases are managed;
- a description of roles and responsibilities for the various stakeholders involved in the RTW process;
- an RTW process that outlines the steps to be followed in managing individual return-to-work cases, including a mediation component, if appropriate;
- a communications and training component;
- a process for regular reviews of the program.

It is agreed that where a meeting as contemplated in this letter takes place by mutual consent, during regular working hours, representatives of the Local Union shall not suffer any loss of pay during regular working hours when required to leave their duties temporarily for the purpose of attending such a meeting. Time off to attend meetings shall not be unreasonably denied.

Yours truly,

Dear Warren:

It is recognized that the Colleges have regular part-time positions within the bargaining unit from time to time that, because of the nature of the service rendered, require staffing for less than twelve (12) months a year. In such a case, where less than twelve (12) month employment is identified prior to the time of hiring such employee, the College may effect a layoff, for a period of up to but not greater than four (4) months in any employment year without regard to the layoff and recall provisions of this Agreement. Seniority shall be maintained and service shall accumulate for all purposes under the Collective Agreement during such period of layoff.

Within two (2) months of February 21, 2019, the College will advise the Local Union of all current positions that are already in existence on February 21, 2019 which are less than twelve (12) month positions.

Prior to posting such a position, the College shall notify the Local Union of the circumstances and, where the Local Union requires discussion and explanation as to the basis for such a position being reduced to less than a twelve (12) month basis, it may request a meeting with the College, at which time a full explanation of the circumstances surrounding the designation of the position shall be given.

Yours truly,
D. Sinclair

Dear Warren:

For Regular Part-Time Employees who are employed as of February 21, 2019, their seniority shall be calculated from their first date of hire at the College.

Within four (4) months of February 21, 2019, the College will email a seniority list to the Regular Part-Time Employees who were employed as of February 21, 2019. These employees will then have thirty (30) days to dispute their hire dates and to provide documentation to prove what they deem is accurate. The College will review all disputes and confirm or deny any changes and repost an amended list within a further thirty (30) days. Any further disputes will be resolved by the Local Union.

It is agreed that the obligation of the College to provide a current seniority list in the second week of October, February and June is suspended during this period.

Yours truly,
D. Sinclair
